Premises _____

Street address

Town

State

ZIP

A minimum of 2 responsible parties (r.p.'s) are required on this list which is provided to our central station and local dispatch center. In the event of an alarm, the r.p.'s you choose will be responsible for meeting the authorities at your premises. An r.p. must have a key to your property, a system on/off code, a passcode and know how to operate your system.

Owner's On/off Code _____ Owner's Passcode _____ *

* the on/off code is a four digit code used to turn your system on and off.

the passcode is the code the central station will use to identify you. It can be the same four digits as your on/off code or any word or digits up to a 10 digit maximum.
